Owosso, May 10, 1898.

To the Honorable Mayor and Common Council of the city of Owosso.

Gentlemen—We, the members of the Owosso Light infanary beg to cail 'our attention to the following facts and conditions existing in regard to our Armery, situated on the corner of Park and Mason streets. To meet our obligations it is absolutely necessary for us to make what revenue we can by renting the building for public assemblages, dances, etc., and to accommodate the public, we have found it necessary to put in closets, which, for want of sewerage are connected with barrels in the basement, and although we have exercised the greatest care possible in keeping them cleanly, disinfecting same, etc., a stench will arise which prevades aed pollates the whole building. The Board of Health has declared the same detrimental to the public health and ordered their discontinuation. Therefore, we, the following named members and honorary members of Owosso Light Infantry, and citizens, respectfully petition your honorable body that a sewer be connected on Park street from Main street to Goodhue St., or in any other way your honorable body may deem wise to the end, that we may obtain sewerage, and your petitioners will ever pray.

To the Hon. Mayor and Common Council of the city of Owosso.

To the Hon. Mayor and Common Council of the city of Owosso.

Gentlemen—Your committee to whom was referred the petition for giving west Owosso better fire protection, would report favorably on same: and we think it necessary that there should be a fire department in the west part of this city; and as your honor asked this committee in making this report, should they report favorably, to give the probable cost of site and necessary tools for said department. On investigation we find the expense would be about as follows:

\$1,955 22 feet in center of lot 11, Barnes' addition, with one side wall, can be bought for ... \$
Amount to complete this ready for use...
Hose wagon as above
Drop harness with fixtures
Fire alarm box......
